Creating Compound Words

Remember that a **compound word** is made up of more than one word. A **compound word** has a different meaning than the words that make it up.

Example = lunch + room = lunchroom (a room where you eat lunch)

Make a **compound word** by using a word from the first list and a word from the second list.

Write your word on the line provided, and write the meaning of the word. **Make 12 words.**

List One:

Foot	Rain	Fire	Snow	Hair
------	------	------	------	------

List Two:

Ball	Bow	Storm	Man	Spray
------	-----	-------	-----	-------

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

9. _____

10. _____

11. _____

12. _____
