Analogy Challenge (7th to 9th)

Analogy—a word puzzle that you solve by figuring out the relationship between one pair of words to complete a second pair having the same relationship.

Example: hungry : famished :: evil : despicable

These words are synonyms—hungry and famished. So, the analogy is completed with a word that is a synonym for evil. Notice that famished is really hungry, just like despicable is really evil.

Remember that analogies show many types of relationships. The first step is to figure out the relationship between the first two words: are they synonyms, antonyms, parts and wholes? This will help you think about the relationship you need to show between the second pair of words.

Exercise:
Choose the answer that best completes the analogy.

1. loud : soft :: small :
   a. tiny
   b. adequate
   c. large

2. sweet : bitter :: generous :
   a. liberal
   b. charitable
   c. stingy

3. glass : fragile :: apple :

   b. crunchy
   c. red

4. judge : court :: teacher :
   a. classroom
   b. desk
   c. students

5. hobby : tennis :: job :
   a. skating
   b. running

6. peaceful : serene :: ambitious :

   c. unimpressive

7. instrument : flute : tool :
   a. mechanic
