

Tally Chart

Name: _____

Date: _____

Use the tally chart to answer the questions.

	
	
	
	

1) How many pizzas and donuts are there in all?

2) How many more sandwiches than hot dogs?

3) How many Bakery items shown in total?

	
	
	
	

1) How many students like sunflower over morning glory?

2) Is dahlia and morning glory are same in number?

3) How many flowers are there in total?

	
	
	
	

1) Which game has least players?

2) If 3 more players are there for chess then what is the total count of the players (for all games)?

3) If 4 more players are there for maze game, then which games has more number of player's cricket or maze
