Name:_____   Date:_____

Fill in the missing numbers in each circle. Each square number is the product of the numbers in the circles on both sides.

Answer sheet.

```
        3                              2
    15      6                     16       8
  5    10    2                  8    32     4

        5                             14
   90      30                   28       84
 18   108    6                 2    12     6
```
