

Probability

Name: _____

Date: _____

Joseph had the letters tiles pictured below. They are placed in a box and one is drawn at random. Each time Joseph draws one, he writes down the letter and places it back in the box.

- 1) What is the probability that Joseph will draw the letter M from the bag?

- 2) What is the probability that Joseph will draw a vowel from the bag?

- 3) What is the probability of Joseph drawing one of the letters found in the word JUMP?

- 4) What is the probability of Joseph drawing a letter that **is not** found in the word LAMP?

- 5) Is Joseph more likely to draw a vowel or a consonant from the bag?

- 6) What is the probability that Joseph will draw the letter T from the bag?

Probability

Name: _____
